

OH

they've
got me now
right down
on paper
2 of my letters
in one I say B
is great
in the other I say B is
not so hot
oh they've
got me now
oh

but I've fed
birds and fish
this morning
written 5 poems
had a turkey t v dinner
am about
to take a hot
shower

I feel great
they can have me

GAGAKU

the women
are cautious
around me

they figure
I'll
fuck'em
& throw'em
out

better to
be my friend
they feel

ah
tis a sad
fucking world tis
a sad sad fucking
world
